DATE: June 4, 2003

RE: **OAL REGULATORY ACTION NO.: 03-0423-03S**
AMBIENT AIR QUALITY STANDARDS FOR PARTICULATE
MATTER AND SULFATES

Pursuant to your findings in review of the above-referenced regulatory action, the Air Resources Board (ARB) hereby authorizes you to correct the rulemaking record as follows:

1. Add the Statement of Clarification and the attachment behind Tab 2, Executive Order.
2. Substitute the attached revised Final Regulation Order to reflect your suggested changes (seven copies).
3. Add a new Tab 18 to include the Documents Incorporated by Reference and one set of the Documents Incorporated by Reference. A second set of the Documents Incorporated by Reference have been included for filing with the Secretary of State.
4. Replace page 4 of the Final Statement of Reasons to reflect the correct Executive Order Number.
5. Substitute the attached "Revised Table of Contents" with that which was originally submitted, to reflect addition of the above documents; and
6. Substitute the attached revised "Certification" for closing the rulemaking record with that which was originally submitted, to reflect reopening of the rulemaking record to include addition of or changes to the above-mentioned documents.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
